CONFIRMATORY AFFIDAVIT

DM

I, the undersigned

!Aru I!Khuisi Piet Barendse

do hereby make oath and say as follows:

I am an adult male, also known as !Aru I!Khuisi Piet Barendse and Chief
(!Aru) ^{of} ~~and~~ the Kalahari IXam Council.

2. I have been appointed by the Kalahari IXam House to hold this position and to speak on behalf of the Kalahari IXam House.
3. The facts contained in this affidavit are within my personal knowledge, except where the context indicates otherwise, and are to the best of my belief both true and correct.
4. I have also the affidavit of Paramount Chief Shedrick Kleinschmidt (Sedas) deposed to on 19 May 2022 and confirm that the statements made about me and my tribe are correct. I also confirm that Paramount Chief Sedas has been elected and appointed by the National House of IXam Bushmen Nation as the National Chair and to speak on behalf of the San Bushmen and our tribe.
5. As I explain more fully below, both the Kalahari IXam House and I:

- 5.1. are deeply concerned about the negative impacts that the development of the River Club site by the First Respondent ("the Development") will have on our intangible cultural heritage;
- 5.2. are opposed to the Development;
- 5.3. were not consulted by Mr Rudewaan Arendse in connection with the preparation of his report titled "River Club First Nations Report" dated November 2019 ("the AFMAS Report"); and
- 5.4. are not members the Western Cape First Nations Collective ("the FNC") which is the Eighth Respondent in this matter, and the FNC is not authorised to speak on our behalf, whether in relation to the Development or any other matters.

Consultations undertaken by Rudewaan Arendse of AFMAS

6. I understand that Mr Rudewaan Arendse was commissioned by the Western Cape Provincial Department of Transport and Public Works to prepare a report on:
 - 6.1. the significance of the Two Rivers Urban Park ("TRUP") to First Nations by identifying intangible cultural heritage ("ICH") specific to the TRUP, through Khoi and San oral history, as articulated by indigenous custodians;
 - 6.2. the collective First Nations aspirations for celebrating First Nation ICH at the TRUP; and

- 6.3. how the indigenous narrative of the First Nation's ICH can be incorporated into the spatial governance of the TRUP, by developing heritage related design informants (as informed by the indigenous narrative).
7. This report culminated in the TRUP First Nations Report ("the TRUP Report") of 25 September 2019. Mr Rudewaan Arendse did not consult me nor my House during the preparation of that report.
8. I have been advised that Mr Rudewaan Arendse was subsequently commissioned by the First Respondent ("the Developer") to prepare the River Club First Nations Report ("the AFMAS Report").
9. I confirm that neither I nor my House were notified by the Developer or Mr Rudewaan Arendse or engaged with regarding our intangible cultural heritage associated with the River Club site or how the development will affect our intangible cultural heritage associated with the TRUP, and consequently neither myself nor my House were consulted by Mr Arendse in relation to the AFMAS Report.
10. The Developer and/or Mr Arendse / AFMAS were well aware that both I and my tribe wished our view in relation to the Development and its potential negative impacts on the environment and on our cultural heritage, to be taken into consideration by the authorities responsible for deciding whether or not to authorise the Development. My reasons for saying this appear below.

Handwritten signature and initials, possibly 'SM'.

- 10.1. My group is part of the National House of IXam Bushmen Nation and as such has contact details which are easily traceable. AFMAS and Mr Arendse should have used this information to communicate with us and arranged for us to participate in the consultation which culminated in his AFMAS Report.
11. I confirm that neither I nor my House were consulted by Mr Arendse . Nor do we approve of or support the development by the First Respondent, nor are we represented by the Eight Respondent (the Western Cape First Nations Collective also known as the "FNC").

Cultural and heritage significance of the site and TRUP area

12. The site at which the River Club development will take place and the larger TRUP, is of significant cultural and heritage significance to my tribe. The site and the TRUP area is sacred to us and a significant part of our intangible cultural heritage is associated with the site and the TRUP, for the same reasons as mentioned in paragraph 12 of Paramount Chief Sedras' affidavit. My tribe and I share the intangible cultural heritage discussed in paragraph 12 of Paramount Chief Sedras' affidavit and it is for those same reasons that the site and TRUP area is sacred to us and a significant part of our intangible cultural heritage.
13. We do not regard any of the conditions to the respective authorisations to be sufficient for purposes of safeguarding our intangible heritage associated with the site. In our view, the aspects of the Development which the Developer claims will give expression to, and celebrate, our intangible

cultural heritage (i.e. the proposed indigenous gardens, cultural and media centre, amphitheatre, and "heritage eco-trail") do no such thing.

14. Had I or my tribe been meaningfully consulted by Mr Arendse in respect of the River Club development, we would have contributed important information relevant to the decision-making process (including the information in this affidavit) which should have been made available to the decision-makers (whether by inclusion in the AFMAS Report or otherwise).

Piet Barendse

I hereby certify that the deponent has acknowledged that ~~she~~^{he}:

- B* {
- (a) knows and understands the contents of this affidavit;
 - (b) has no objection to taking the oath;
 - (c) considers the oath to be binding on ~~her~~^{his} conscience.

Thus signed and sworn to before me, at *Mowbray SAs* on *09* June 2022.
